Enrolling in your retirement plan puts you at the start line of planning for the future. Sign in at any time to get a single view of everything you need to know about your retirement plan. You can check your 401(k) balance, change how much you invest in the future, name your beneficiaries and much more.

Get Started!

You have a choice in how to access your retirement plan. Pick the one that best fits your lifestyle.

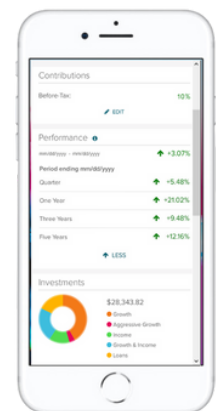

Text to Enroll:

Simply text **Enroll 401k to 72408**

ADP Mobile Solution App:

ADP's Mobile Application provides a convenient and fast way to access to your 401(k) information. The easy-to-navigate dashboard allows you access to account information and perform certain account transactions – all on your mobile device.

Download it today.

Online Portal:

www.mykplan.com

Be sure to have your User ID handy and follow the prompts to set up your account.

Phone:

800-MyK-Plan

800-695-7526

ADP Representatives are available Monday through Friday, 8am to 9pm Eastern Time.

401(k) Contribution Limits

The amount you can contribute to your retirement account has increased. For 2023, your 401(k) contributions are limited to \$22,500, or \$30,000 if you're 50 or older.

More Tools and Resources

We've created a set of videos to help you learn more about your 401(k) plan.
