Manage Your Account

Once you create your profile, you will be asked to **Set Up Account**. You can return to this at any time. While setting up your account, be sure to follow these tips to help you maximize your benefits.

Set Your Preferences

- ✓ You will automatically receive electronic delivery of documents via email. You can change this preference at any time simply by unchecking the box, and you will receive documentation via regular US mail.

Your Contributions

Choose your elections to make a difference over the long haul.

- ✓ Confirm your **contribution rate**
Have your desired deferral percentage or amount handy. You can choose to set aside money each paycheck for your retirement, whether it is deducted from your paycheck before taxes each pay period or after taxes with Roth.
- ✓ Consider an **auto-increase**
One way to keep up with inflation and your income needs in retirement is by contributing a little bit more each year. Auto-increase is a service option that helps you take a small step that adds up over time.

Name your beneficiaries

- ✓ Take a minute to choose, review, or update your beneficiaries:
 1. Log in and View your account details
 2. Click **Beneficiaries** under the **My Plan** menu on the top
 3. From here you can name or update beneficiaries on your account

Investment Choices

- ✓ You decide how your account will be invested. Take a minute to review your investment options and instructions.
