

GET THE MOST OUT OF YOUR RETIREMENT BENEFITS!

Planning for retirement is an ongoing journey. There are resources to help you feel prepared and make the most of your retirement benefits. Come meet **Retirement Solution Group's** specialists at our upcoming Retirement Plan Overview meeting.

Before the Meeting:

- Log in to your 401k account**
There are multiple ways to access your plan information. We've created a handy account access sheet to help guide you.
- Check your Information**
Look over your balance, contribution election(s) and investment election(s).
- Download Account Statement**
Have your latest information handy. Simply download your most recent account statement and bring it to the meeting.
- Ask Questions**
Come prepared to the meeting with your questions. This is your opportunity to ask our experts anything.

If you need additional assistance of any sort, please contact our retirement plan advisory team at Retirement Solution Group:
