Managing Partner

After three consecutive years of strong market performance, 2025 has delivered meaningful results—yet the investment environment remains in transition. This timely discussion will explore both where we've been and what may be ahead.

Topics will include:

- A recap of broad market performance in 2025
- Key drivers and potential outcomes shaping markets in 2026
- 401(k) best practices for retirement plan success
- Important retirement industry updates and their impact
