WEBINAR

NOV 12

Most people think of their HSA and 401(k) as two completely separate accounts — one for medical bills, one for retirement. Used together, they can actually make a meaningful difference in how prepared you are for healthcare costs later in life.

Join us for a live conversation — not a lecture — with two RSG advisors and a benefits specialist from Alliant, walking through how these accounts actually work together.

Featured Speaker:
George H. George
Alliant Insurance Services

In 30 minutes, you'll learn:

- Why your HSA's "triple tax advantage" might deserve a bigger role in your savings strategy than you think
- Where an HSA actually fits in your savings priorities — before or after maxing out your 401(k) contributions
- What your HSA can (and can't) pay for today vs. after you retire — including a few surprises
- A real-numbers look at what consistent contributions could grow to by retirement, adjusted for inflation
